

Women of Color

at Minnetonka Middle School West

Women of Color (WOC) is an affinity group that provides a safe space for students with a shared identity to gather and build community by discussing topics they feel are important to them

Mission: To enrich the lives of young women by challenging their thinking to produce positive change.

Meeting Days and Times

The group meets on Mondays on a rotating hour basis to minimize time missed from class.

Description of Activity

Group activities are selected that promote positive relationships, empower and enhance student voice and self-expression and celebrate diversity and culture. We also work to make a positive impact on the school community. Past activities include creating newsletters for the National Heritage months, adding favorite books to the Media Center and decorating the school's display case for Black History Month.
