

# Scholarship registration procedure for registering for MME Sports or MME Activities

**Before you can register your student will need a sports clearing physical that is current within 3 years on file at MME.** You can email or fax that to Ruth in the MME Office – contact info at bottom of page. You will not be able to complete the steps below until we have one on file for your student. **Also, the physical must stay current during the duration of the sport season** in order for you to register. If it expires during the season, you will not be able to register and you must get a new one. **Physicals will take up to 48 hours to upload to the activities registration system.**

Once you have updated us with a current sports physical, you will now be able to register. To register, go to our registration page <https://1976a.cf.wordwareinc.com/>

## **FIRST TIME REGISTERING FOR MME ATHLETICS OR ACTIVITIES:**

Go to the blue tab at the top and click on **My Account** and create a family account if you have not already done so. You will need to know your student's 6-digit ID# which is located in their Student Skyward/SSO and labeled as "Other ID." This will connect you to your student. **If you are creating your family account for the first time, you will be asked if you have a "KEY." Please choose the option "No I do not have a key."** Once you have successfully created a family account you will need to return to the registration homepage to begin your registration.

## **RETURNING REGISTRATION USERS THAT HAVE ALREADY CREATED A FAMILY ACCOUNT:**

Go to the blue tab at the top and click on **My Account** and log-in to your family account.

NEXT, return to the registration homepage and click on the Catalogue option at the top. Since you are requesting a scholarship, skip the MME Participation Fee option and go directly to the "Scholarship" option (do not choose the sport or activity). Once you have completed the required information, please email Ruth and she will complete the process by adding your student to the sport or activity roster.
