

## ADVANCED PLACEMENT

AP<sup>®</sup> college prep courses:  
set goals, challenge yourself  
discover interests

AP

Minnetonka graduates report that AP courses better prepared them for the rigor, writing and study skills needed for future success.

You're ready! Make the most of your high school experience by taking college-level AP courses with the support of dedicated MHS teachers. In 2022, 82% of Minnetonka graduates took at least one AP or International Baccalaureate (IB) course during high school, and 83% of AP students scored a 3 or higher on their AP exams (which is the minimum score needed for college credit consideration).

Minnetonka offers AP courses in English, world languages, social sciences, history, sciences, mathematics, computer science and the arts. MHS also offers a variety of AP courses through Tonka Online and VANTAGE.

Depending on your AP exam scores and college credit policies, you may earn college credit or advanced standing at most of the nation's colleges and universities.

When you take college-level courses in high school, you are more likely to complete your college degree. AP offers something for everyone. The only requirements are a strong curiosity for the subject you plan to study and a willingness to apply yourself and work hard!

### Advanced Placement Quick Facts

29

AP courses offered through a classroom experience, Tonka Online or VANTAGE.

3↑

83% scored a 3 or higher (state average 66.7%) on AP exams in 2022.

2,969

The number of AP exams taken by 1,668 MHS students in grades 9-12 at the end of 2022.

665

The number of MHS students honored as AP Scholars (three levels) based on 2022 exam scores.

### IMPORTANT DATES

**Experience Minnetonka**

Parents and Students  
Thursday, February 9 • 5:30-8 p.m.

“After taking many AP classes in high school, I was able to get a significant number of college credits completed before stepping foot on campus. This has created a lot of flexibility in my schedule.”

– Lane '18

AP Spanish V Language and Culture	12
<b>CHINESE AND SPANISH IMMERSION</b>	<b>GR</b>
AP Chinese Language and Culture (Immersion)	9-10
AP Spanish Language and Culture (Immersion)	9-10

I came in to college with 22 credits, which puts me far ahead of many of my peers. I will actually be sophomore standing next semester, which lets me register for classes before many of my peers are able to. My only regret is not taking AP statistics.
